K-1-2 KIRRALONG CLASSROOM

This week we have been working on the letter ‘i’. The children have been brainstorming lists of ‘i’ words, completing word building stencils and singing phonic jingles.

Literacy groups have been successful, allowing for the introduction of the Momentum Reading Scheme books and activity booklets focussed on the development of comprehension skills, spelling and grammar. While one group reads with me and looks at the activities for the lesson, other groups complete stories, spelling tasks and computer/iPad activities etc.

Mentals, Maths Plus and Mathletics groups are also progressing well on alternate days.

We looked into the ‘Doctor Gemma’ Program and discussed the function of medication in various forms and the necessity of not touching medicine and having it kept out of the reach of children.

THE OFFICE CORNER:

♦ It is now Week 5, it would be much appreciated if parents could pay the $80.00 per student for the work books etc. Thank you to those parents who have paid.

♦ There will be no Scripture lessons or Kid’s Club until Term 2. Rev. Sallyanne apologises - she needs an eye operation - we wish her a speedy recovery. Sister Bernadette Mary decided to also wait until Term 2.
